

Electronic Technologies for Oil Spill Response in the Marine Environment Workshop January 13-15, 2004

Sponsors:

California Department of Fish and Game – Office of Spill Prevention and Response
ChevronTexaco

Location:

ChevronTexaco Corporate Headquarters
Building Bishop Ranch 1, Room 1220/1240
6001 Bollinger Canyon road
San Ramon, California 94583-2324

Directions:

Please follow the directions as outlined below as ChevronTexaco Park is a secured facility.

- From 680, North or South, take the Bollinger Canyon Rd Exit.
- Turn east on Bollinger Canyon Rd (i.e., if you're headed south-toward San Jose- on 680, turn left on Bollinger Canyon Rd; if you're traveling north- toward Sacramento- turn right on Bollinger Canyon Rd).
- Follow Bollinger Canyon Rd to Bishop Ranch 1 Rd (the 2nd stop light after exiting on Bollinger Canyon Rd, about 1 mile)
- Follow Bishop Ranch 1 Rd to the turn around in the middle of the road and turn right into the parking lot.
- The workshop is in BR-1, Building 6101 (the building on the right as you're driving down Bishop Ranch 1 Rd), Room 1220/1240 (the main conference room).
- Enter Building 6101 from the east entrance (the Mt. Diablo side of the building) and pick up your badge.
